

REMARKS/ARGUMENTS

Fig. 9 was objected to as not having each Fig. labeled with a consecutive Arabic Numeral or an Arabic numeral and capital letter. Fig. 9 comprises five graphs linked to a representation of a human head, and thus, is one single drawing. Thus, only one figure designation is appropriate. Hence, no changes are in order. In the specification, the paragraph [0020] has been amended to correct minor editorial problems, which referred to Fig. 9.

Figs. 7, 8, and 11 were objected to as not being electronically reproducible. In amended Figs. 7 and 8, the headings at the upper left have been removed. The equations have been enlarged and graying removed to make the drawings legible. In amended Fig. 11, headings and equations have also been enlarged to make the drawings legible. No new matter is included in the accompanied drawings.

If prosecution of the subject application can be advanced, please contact the undersigned attorney of record.

Respectfully submitted,
